

## Group Pricing Guidelines

**Group Users:** The 1-year purchase is for group users only. The base purchase includes \$174.99 for the administrator access for one year. An *account administrator* under this plan may then purchase user accounts at the listed price of \$90 per individual user. The administrator and individual user accounts are valid for one year from date of account activation. **For multi-site pricing and volume discounts please call:** (618)206-8401 for further details. The one year subscription applies to each individual institution/organization site. Any satellite site/campus must purchase their own group account.

**Important:** Administrator access login information is to be used for **onsite group viewing/ training only**. Sharing administrator access login information with students, clients, employees or unauthorized individuals is **prohibited**. Any individual use by students, clients, employees, or other individuals would require an additional individual user purchase of \$90 as indicated above.
