## **Caregiver Support Video Library Subscription - Company or Organization Price**

A 1 year contract is \$100/month + one time set up fee of \$350. This can be paid monthly or in one annual payment.

### **Here's what a year contract includes:**

- Content library with over 200 videos (and growing)
- All information is created and presented by licensed PT, OT & ST
- Magic Link access for staff, patient and family caregivers. (No email or password needed)
- Two staff training sessions
- All videos are closed captioned & have been audited by the Illinois Assistive Technology Program
- All supplemental documents are accessible for individuals with low or no vision
- Dashboard includes a keyword search bar
- Each video has short URL to copy/paste in an email or text
- Each video has a QR code that can be downloaded and printed for easy distribution
- A company branded dashboard with hyperlinked logo
- 2 event spaces (with hyperlinks) on the dashboard to keep patients and family caregivers up to date on the organization's events and services

### **Schedule a virtual tour of the video library here:**
